

ELSO 2008 Programme At-a-Glance

	Saturday	Sunday	Monday	Tuesday
08:30-09:00				
09:00-10:30				
10:30-11:00				
11:00-12:00				
12:00-12:30				
12:30-13:00				
13:00-16:00	Registration			
16:00-18:00	Subgroup Meetings (15:30-18:00)			
18:00-18:30	Social Get-together			
18:30-18:45				
19:00-19:30	Opening Address & Keynote Lectures			
19:30-20:30				
		PS1 - Systems Biology Pamela Silver Bela Novak Ursula Klingmüller Coffee Break PS2 - Membrane Dynamics Gillian Griffiths Alberto Luini Graham Warren Lunch break Careers Outside Academia (14:00-15:30) Poster session Parallel Minisymposia 1-7 Endocytosis Cell Cycle Mechanisms of axonal guidance DNA repair Interface between chemistry and biology Genetics of human disease Cell adhesion Open Floor Debate	PS3 - Stem Cells and Differentiation Andreas Trumpp Jeremy Brockes Clare Blackburn Yann Barrandon Coffee Break PS4 - Patterning in Development Dennis Duboule Magdalena Zernicka-Goetz ELSO Early Career Award and Lecture Lunch break Career Mentoring Lunch (12:30-14:00) EMBO Science & Society session (13:00-15:00) EMBO Communication in the Life Sciences Award (15:00-15:30) Zeiss Workshop (13:30-15:00) Olympus Workshop (13:00-15:00) Poster session Parallel Minisymposia 8-14 Entry of pathogens Mitosis Molecular motors Transcriptional regulation Phospholipid kinases in biology and disease Cell stress responses Mechanisms of cell migration	PS5 - Regulation of Cell Shape Michael Bornens Valerie Weaver Donald Ingber Coffee Break PS6 - Postgenomics Tony Hyman Gene Myers Matthias Mann Lunch break EMBO Media Workshop (13:00-15:30) Meet-a-Mentor (14:00-15:00) Leica Workshop (13:00-15:00) Olympus Workshop (13:00-15:00) Parallel Minisymposia 15-21 Membrane organisation Cytoskeletal regulation Morphogenesis Epigenetics Cell biology of the immune system Signaling in cancer Computational biology Closing Remarks and Poster Awards
		Plenary sessions		
		Career Development Committee sessions		
		EMBO sessions		
		Company workshops
