

33RD ANNUAL ELSO CONFERENCE

"Leading ECMO Globally"

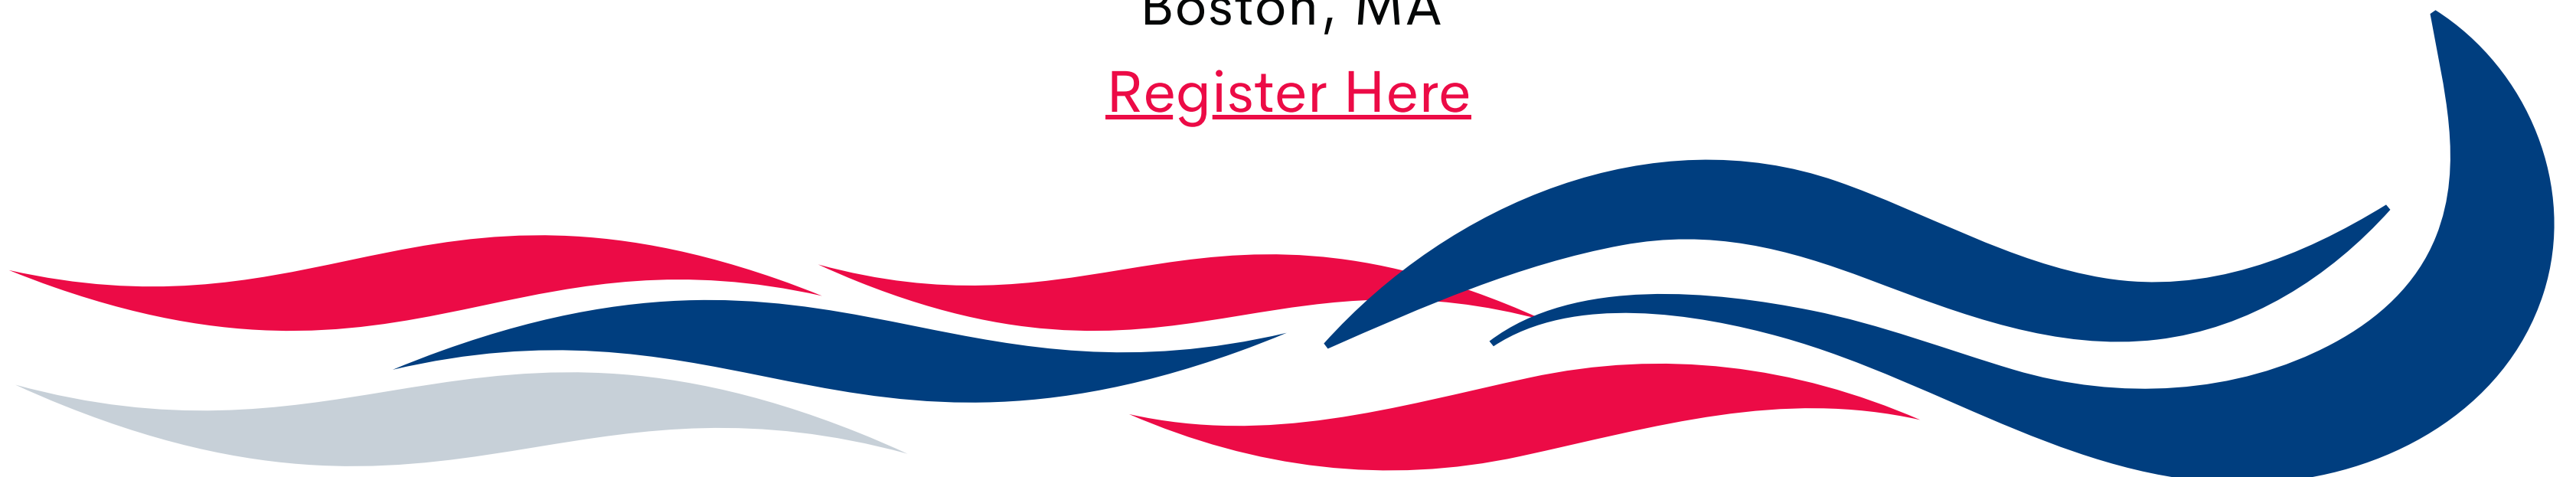

September 15th-17th, 2022

Pre-Conference: September 14th - 15th

Boston Marriott Copley Place

Boston, MA

[Register Here](#)

KEYNOTE PRESENTER

Presenter: Derek Angus, MD, MPH, FRCP
Chair, Department of Critical Care Medicine
Associate Vice Chancellor for Healthcare Innovation
University of Pittsburgh & UPMC

When: Thursday, September 15th, 2022
1:00pm EST

Bio: Derek Angus oversees UPMC's clinical research, implementation science and data analytics, with a particular emphasis on UPMC's learning health system initiatives. He also is associate vice chancellor for Healthcare Innovation at the University of Pittsburgh Schools of the Health Sciences. He is a distinguished professor and holds the Mitchell P. Fink Endowed Chair in Critical Care Medicine at the University of Pittsburgh, with secondary appointments in Medicine, Health Policy and Management, and Clinical and Translational Science. Since 2008, Dr. Angus has served as chair of the Department of Critical Care Medicine. Since 2015, he also has been the physician director of the UPMC ICU Service Center, responsible for the provision of ICU services across the 30-plus hospital system. He also is a senior editor at JAMA.

NEW THIS YEAR

● What's New in ECMO Research

Explore the latest scientific advances in extracorporeal organ preservation and artificial lung technology for adult, pediatric, and neonatal populations

● ECMO in The Media

Hear from practitioners, journalists, and social media experts on the portrayal of ECMO and critical care medicine in the general population

● What's New in ECMO for ARDS

Hear from world experts about what we've learned about COVID-19 this past year, from lung recovery & regeneration to protective ventilation

● ECMO for Transport

Pioneers in lung transplantation discuss the latest on the development, management, and evaluation of ECMO in lung transplant programs

● Mechanical Support & ECMO for Pediatric Heart Failure

Evaluate all forms of mechanical support, from ECMO to VAD, for pediatric heart failure patients

● Expanded Uses for VA ECMO

Broaden your horizons with new expanded uses for VA ECMO as a prophylactic in cardiac surgery, for stress cardiomyopathy, and much more

PLENARY SESSION HIGHLIGHT

Critical Care in the Media

Leading experts discuss the influence of media and social media in COVID-19 and critical care medicine practice with leading physicians & journalists:

- The Influence of Media and Social Media on our Practices
- ECMO in the Media in COVID-19
- Reporter's Perspective on Critical Care

HIGHLIGHTS

Ask the Experts: Pediatric and Adult

ECMO for the Pregnant Patient: Evidence, Risks, Cases

Congenital Heart Disease Support and Quality of Life

Heart Lab: Live During Pre-Conference

Directors and Coordinators Meeting

Emerging Research on Adult, Pediatric & Neonatal ECMO

Spanish Language Session

Ethics and Palliative Care Approaches & Safety

Cutting Edge in ARDS: Science and Management

Artificial Intelligence & the Science of Delivering ECMO

ECMO and Future Pandemics

Taking Care of the ECMO Team: Resilience & Challenges

ABSTRACT AND VIRTUAL POSTER PRESENTATION

All accepted abstracts have the opportunity to provide a recorded presentation for the conference.

Submission Deadline: Wednesday, July 15, 2022

Outcome Notification Date: Monday, August 9, 2022

Accepted abstracts are published as a supplement in the ASAIO Journal!

CONTINUING MEDICAL EDUCATION

CME/CEU Information

PHYSICIANS AND NURSES

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Extracorporeal Life Support Organization. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Credit Designation Statement – please check ELSO website later for more information.

ABCP

This program will be submitted for review to the American Board of Cardiovascular Perfusion. Please check back later for more information.

CRCE/AARC

This program will be submitted for review for Continuing Respiratory Care Education (CRCE) credit by the American Association for Respiratory Care. Please check back later for more information.

IMPORTANT DATES TO REMEMBER

April 28th	Registration Opens
July 15th	Abstract Submission Due Date
August 9th	Abstract Notification Announcements
September 14th	33rd Annual ELSO Pre-Conference Kick off
September 15th	33rd Annual ELSO Conference
September 17th	Directors & Coordinators Meeting

FREQUENTLY ASKED QUESTIONS

HOW DO I REGISTER FOR THE CONFERENCE?

[REGISTER HERE](#)

CAN I TRANSFER MY REGISTRATION TO ANOTHER PERSON?

Contact: elsoconference@elso.org
